## Military medical events organised by Beta Publishing

According to our magazine “European Medical Military Services”, we organise events in the field of international military medicine in 2023 & 2024 as well.

This includes the 12th DiMiMED “International Conference on Disaster and Military Medicine”, which takes place as part of MEDICA in Düsseldorf. We cordially invite you to take part in our first-class scientific program and to present yourself to our specialist audience at the industrial exhibition. The EMMS magazine is distributed at this conference.

# General Terms and Conditions for Advertising Sales

1. For reasons of organizational effectiveness, economic considerations and our determination to treat our customers fairly and equally, the following General Terms and Conditions cannot be altered or modified and shall also prevail if the other party is using different or contrary terms and conditions. This Clause shall only be applied in legal dealings with an enterprise, a legal entity under public law or a special fund under public law. The General Terms and Conditions in the version valid on the day of the conclusion of the contract shall apply.

2. Advertising sale means any contract concerning the publication of one or more advertisements on behalf of a commercial enterprise in a periodical publication for distribution purposes. Pull-out and fly leaf supplements are considered advertising for the purpose of these Terms and Conditions.

3. Advertising orders are legally binding for the client, whether they have been submitted personally, by phone, by mail, by fax or by email. If the client exercises his right to withdraw from the contract, the publisher or his advertising agent must be notified at least eight weeks before the date of release. If the order has been submitted through telecommunication channels, this provision shall only apply in legal relations with an enterprise pursuant to § 14 BGB (the German Commercial Code).

4. An advertising sale shall be considered binding for the Contractor once the written confirmation has been issued. Orders for pull-out and fly leaf supplements can only become binding for the advertising department after a sample has been received and approved. If the advertising department does not receive an objection from the Client within 10 days, the order shall be fulfilled as stated in the confirmation. The objection period for urgent orders (including those received by phone) which need to be processed immediately by the advertising department is 24 hours.

5. The publisher shall be entitled to refuse advertisements on the basis of their content, or their technical form in compliance with standard procedures and reasonable publishing policies – even after a contract has been concluded – if the content is unlawful or immoral or if it violates official regulations or if a publication would be unacceptable for the publisher. The same applies to pull-out and fly leaf supplements. They can also be refused if their format and presentation seem intended to create the impression that they are an integral part of the magazine or paper.

6. No guarantee can be provided for the publication of advertisements or supplements in certain places. The publisher reserves the right to modify the content and/or the layout of his publication at any time. Circulation figures are provided without obligation or guarantee.

7. The publisher guarantees the faithful print reproduction of the advertisement as provided by the Client. Minor deviations of the final print or colours from the original are possible and shall not be considered as deficiencies under § 633 BGB (German Civil Code). If the printed advertisement has serious flaws, the Client shall be entitled to a reduction. In the event of grave defects which significantly undermine and impair the purpose of the

advertisement, the Client shall be entitled to the publication of a faithfully reproduced replacement advertisement. If this replacement advertisement again turns out flawed, the Client shall have the right to reduce his payment or to cancel the order. The Client shall be responsible for the quality of the printmasters. The Contractor shall not be liable for defects or deficiencies which result from defects or deficiencies of the print masters. This shall also apply in the event that any defects or deficiencies of the print masters have not been immediately recognized or become apparent only in the printing process. No guarantee can be given for the faithful reproduction of advertisements and/or modifications ordered by telephone. Advertisements which have been designed in such a way that their nature as commercial messages is not immediately apparent may be signposted as such by the advertising department.

8. The Client shall be responsible for the timely delivery of all printing documents and masters to the publisher's premises. The Client shall assume all costs for the production of made-to-order designs, printing blocks, lithographies and fair copy drawings. Test prints shall only be provided on the Client's special request. If the Client fails to return the test print within the period specified in the written order confirmation (provided the test print has been submitted to him on time), it shall be assumed that he has given his approval. After the advertisement has been published, the Client shall be provided with a voucher copy or a print-out of the page. Print masters will be only returned to the Client on his special request. The publisher's safekeeping duty expires three months after the publication date. The Client shall be responsible for the correctness of the result when supplying digital data. Any resulting technical and handling costs shall be charged to the Client.

9. Advertising orders must be fulfilled within one year of the contract date. If the Client has been given the right to call off individual advertisements, the order must be fulfilled within one year of the publication of the first advertisement. The Client shall be entitled to call off additional advertisements within separately agreed periods. The tariff chart valid at the time shall be considered a part of the agreement. The discounts specified shall only apply to the advertisements published within a period of one year. If the order is extended within the course of the insertion year, the higher discount rate will be retroactively applied to the advertisements already published. If the order is reduced, the lower rate will be correspondingly applied.

10. Warranty and compensation claims based on obvious defects shall be ruled out unless they have been duly and formally notified in writing within four weeks of the publication date. § 639 BGB shall not be affected. In the event that the order cannot be fulfilled due to reasons beyond the responsibility of the publisher, the Client shall be obliged to reimburse the publisher for his costs (typesetting, film production etc.). If the purchased advertisements have only been partially published due to reasons beyond the responsibility of the publisher, the Client shall have to make an appropriate pro-rata payment. Discounts shall be calculated on the basis of the number of actually published advertisements. In cases of ordinary negligence on the part of the Contractor, his legal representatives or vicarious agents,

any compensation claims of the Client due to the non publication or delayed publication of his purchased advertisements shall be limited to immediate damages which may be deemed foreseeable and typical for agreements of this kind. The Contractor shall not be held liable by enterprises in cases of ordinarily negligent violations of immaterial contractual duties. These limitations of liability shall not apply to damages caused intentionally or through gross negligence and personal injuries.

11. Invoices must be paid in full within 30 days after the invoice date. If the Client has failed to make his payment by the due date, the publication of any additional advertisement can be made conditional upon the pre-payment of the respective fee and the settlement of all outstanding invoices, notwithstanding the originally agreed term of payment. If the Client exceeds the term of payment, all payable amounts will become due immediately, including the fees for advertisements currently in print which have not yet been formally invoiced. The advertising department demands pre-payment for recruitment ads and occasional ads. The advertisements will only be inserted after the invoiced amount has been received. If the invoice address is different from the Client's postal address, this address will need to be identified as such.

12. Delayed and deferred amounts are subject to an interest rate of 8 percent above the basic interest rate plus the collection costs. Reminders will be issued at a charge of €5 each. The Contractor reserves the right to fulfill an order only after he has received the corresponding payment. In the event that the Client requests insolvency proceedings to be opened or that his assets are otherwise charged or forfeited, all demands shall become due immediately. This also includes demands for advertisements which have as yet not been published.

13. All contracts are subject to German Law. Place of performance is Bonn. Place of jurisdiction for all rights and obligations including those emanating from bills and cheques is Bonn, in as much as the Client is a full trader, a legal entity under public law or a special fund under public law.

14. Contracts between autonomous subsidiary publishers in other countries and their customers are subject to the laws of the country where said subsidiary has been duly registered. Place of performance and place of jurisdiction is the domicile. Any divergent provisions must be confirmed in writing.

15. We point out that the personal data required for purposes of distribution and the performance of contractual duties have been stored by us or by third parties.

16. If for certain reasons some of these terms and conditions were found to violate legal regulations, the other terms would continue to be valid. In all business dealings with enterprises, any wholly or partially invalidated provision shall be replaced by a regulation which reflects the economic purpose and intention of the original provision as faithfully as possible.
